# Style tile & Idea description:

## INSPIRATION:

Pop Character/Funny Monsters

## CONTOUR LINE:

There will be contour lines since this is representative for the style.

## CHARACTERISTICS OF THE STYLE:

The characters are monsters and they have a Disney-like look. There is a contour line with big eyes and pupils.

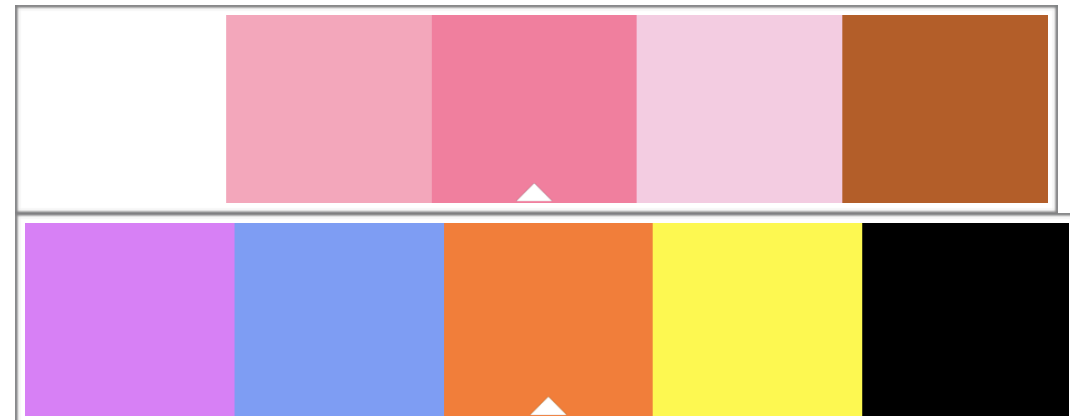

## TYPOGRAPHY:

## EXAMPLE OF THE STYLE:

## COLOUR PALETTE:

## DESCRIPTION OF THE IDEA:

### THE STORY:

The main character is a monster called Flo’Kos, who just got himself a delicious cotton candy and he is so excited to eat it since it’s a long time he had one. He had some problems with his big tooth before and was not allowed to eat a lot of sugar. BUT NOW HE CAN!

On his way, when he is just about to have a big taste of the cotton candy, he sees the most beautiful monster girl he has ever seen...Her name is Illy..and she is yellow with a cute black bow in her monster hair. He also has yellow hair, and his favourite colour is yellow. So he cannot help himself but sharing the cotton candy with gorgeous Illy. They meet and they are happy to be with each other thanks to the cotton candy.

### MESSAGE:

Don’t be selfish and share your things with others. Care about the others, and new nice stories might begin.

### GENRE/MOOD:

Romance, Happiness, Fullfilment.

# The narrative curve:

**Prelude:** Title picture

**Point of no return:**

He notices the girl and he needs to do something.

**Action:**

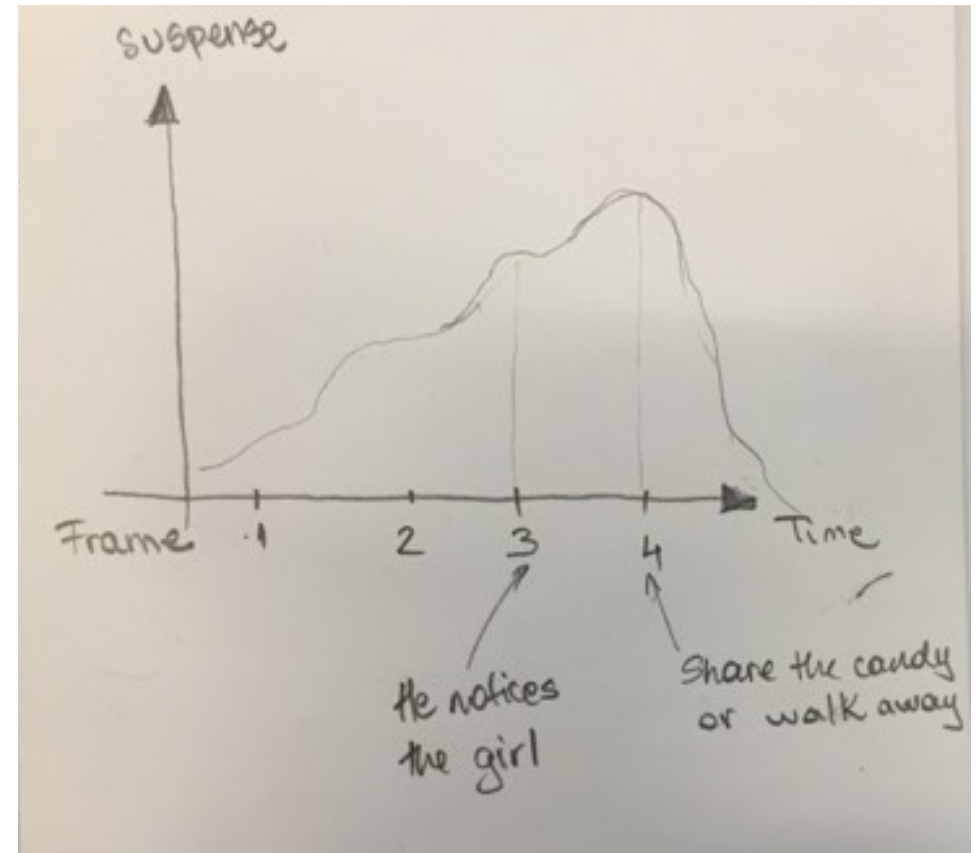

2 buttons will appear in front of the user with the titles: "Pass by" and "Be a gentleman-share candy".

**Climax:**

The user needs to make a choice and the ending of the animation depends on his/hers choice.

**Fade out:**

The ending has two versions: Either he shares the candy and they fall in love and live happily ever after, or he just passes by indifferently and will be alone forever.
